One Little Goat Board Game!

WHAT YOU NEED

One dice

Two to four players

If you like, you can glue the game and the counters to some card to make it a bit sturdier. Old cereal boxes work well!

INSTRUCTIONS

Cut out your Little Goat counters.

Take one each.

The first person to play throws the dice and moves the number of squares the dice shows.

If you land on a picture, you must get up and make a Sound and an action that goes with the picture.

So, for example, if you land on the dog, you must run around on all fours and bark.
WOOF WOOF!

Or if you land on the bucket of water, you must get up and pretend to be a bucket and make **SLUSHY-SLOSHY** water sounds.

Some of the pictures will be harder than others. (Hmm, what does a **STICK** sound like???)

Take it in turns to throw the dice and move your counter.

If you land on this square **MISS A TURN!**

The first person who reaches the end must sit up and make a Sound like a little baby goat.

Then that person is **THE WINNER!!!**
